UPTON LUBRICANTS

Manufactured Under ISO 9001-2015
Quality Management System BVQI No. 235093
Produced By :
PT. AMAN PELUMAS NUSANTARA
SFB Blok MM No. 16 Kawasan Industri
Jababeka Tahap II Cikarang Bekasi - 17530

DESCRIPTION AND FEATURES

Lithium Complex Grease is extreme pressure type multipurpose grease, formulated with lithium complex thickener, designed for heavy duty industrial application and providing excellent resistance against corrosion, heavy load and shock load on bearing, and also humid, moisturize condition at water closed locations. This grease provides excellent adhesive capability and therefore can not be easily removed from bearing surfaces. Suitable for use in vehicles bearing and auto parts.

PERFORMANCE BENEFITS

1. Excellent resistance against water, oxidation and air moisture.
2. Prevent wear, rust and corrosion.
3. Suitable for application in operating high load and high temperature.
4. High pressure, irregular shocking loads.
